DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Bagarazzi on 11/5/2009.

The application has been amended as follows:

- Please cancel claim 4
- On line 2 of claim 16, please replace "valve lip" with --lip valve--.

The following is an examiner's statement of reasons for allowance: The prior art made of record did not disclose or render obvious a device comprising the combination of limitations recited in claims 1 and 18. The closest prior art, US 5,545,179 to Williamson, did not disclose a device including an inner wall with a greater wall thickness than the outer wall as is recited in claim 1 or a device comprising the recited clamping closure as is recited in claim 18. The inner wall of Williamson is the same thickness as the outer wall and there is no motivation to modify the device to meet this limitation. Furthermore, Williamson does not include any clamping closure and there is no motivation to modify the device to meet this limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THEODORE J. STIGELL whose telephone number is (571)272-8759. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nicholas Lucchesi can be reached on 571-272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
